Coordinator

Priyanka completed her Masters in Physical Therapy in 2010 at the University of Toronto after completing her BSc. in Kinesiology at the University of Waterloo. She has worked in paediatrics since the start of her career, starting in school and home care, then moving on to work in both inpatient and outpatient care paediatrics at CHEO, in Ottawa, Ontario. Priyanka moved to Washington, D.C. in 2019, where she worked as an infant development and content strategy consultant for a group doula practice, in addition to teaching postpartum and newborn care classes. During this time she had the opportunity to host episodes of the Lamaze International Podcast and do her postpartum doula training. She moved back to Ottawa in the fall of 2022, and is excited to contribute to the Paediatrics Division of CPA!

Priyanka enjoys spending time outdoors with her husband and dog. She is a creativity junkie: either on her yoga mat, in the kitchen or when playing with paint or clay.
