

## Physiotherapy Student Leadership Award of Excellence

The Leadership Division of the Canadian Physiotherapy Association is pleased to offer one “**Physiotherapy Student Leadership Award of Excellence**” award to one member of the graduating class. Annually, one student will be recognized from each of the fourteen Canadian Council of Physical Therapy University programs.

This award is to recognize a student in the final year of the program who demonstrates exceptional leadership qualities for the promotion of the physiotherapy profession and/or improvement of the quality of student experience.

The role of the Leadership Divisions is to coordinate, promote, and provide programs and services for the acknowledgement and development of leadership skills and attributes in physiotherapists. We identify the value of student leaders, and wish to recognize an outstanding student.

The recipient of the award will receive an honorary **certificate** and a **complimentary one-year Leadership Division membership** upon registration as a member of the **Canadian Physiotherapy Association**.

To choose a candidate, your school may choose one of two options:

1. Request that the Graduation committee (or equivalent) choose a worthy student secondary to knowledge of students' leadership performances.
- OR
2. Circulate an application form to the graduating class (see next page). Students interested in receiving the award have the opportunity to describe examples of their demonstrated leadership activities and qualities in promotion of the physiotherapy profession and/or improvement of their student experience. They may also comment on any future plans with respect to being a leader as a practicing physiotherapist. Student applications should be submitted to the school's Graduation committee (or equivalent) for review and selection of a worthy candidate at their discretion.

The Graduation committee should submit the successful recipient's name to Mabel Plourde-Doran (mabelthept@gmail.com) at least three weeks prior to your school's convocation. Thank you.
