

CPA STUDENT AWARD

CRITERIA

The CPA Student Award is given annually to the graduating student, in each entry-level physiotherapy program across Canada, with the highest aggregate percentage in academic and clinical physiotherapy subjects.

AWARDS

Each award consists of:

1. A complimentary one-year membership in CPA and its Divisions
2. A certificate

SELECTION PROCESS

Each University is invited to share with CPA the graduating student with the highest aggregate percentage. A memo is circulated to the Universities at the beginning of each calendar year to facilitate this process.

NOTIFICATION

Once the memo is received from each University, the awards certificate will be mailed for presentation at convocation.
